Catholic Schools Week
January 29th—February 4th, 2012
Faith, Academics, Service

In comparing private schools with public ones, research shows that private Schools, including Catholic ones:

- Have teachers who are more committed to seeing that students learn.
- Spend more time on essential academic subjects.
- Demand stricter discipline.
- Experience less absenteeism or skipped classes.
- Assign more homework and more of it is done.
- Have students who watch less TV.
- Do not safeguard student rights as much as public schools, yet students feel they are treated more fairly and have greater control over their destiny.
- Enjoy greater support from parents.
- Find that their teachers say their work is more rewarding.

Enhancing our Place of Worship: We invite you to help us to have fresh flowers each weekend in church. A donation could be made in memory of a loved one, or in honor of someone marking a special occasion in life, like birthdays, weddings or marriage anniversaries. Because flowers are costly, you may wish to share the expense with another family, on a particular weekend. The ideal would be to have two flower arrangements and these would be placed near the altar area in church. The gift of flowers will be acknowledged in the Parish Bulletin on that weekend. For more information, please contact Yvette at the Church Office.

RESPECT LIFE MINISTRY

Developmental Progress of Your Spiritually Adopted Baby

Your spiritually adopted baby has been quite active over the past month. Already, your baby is 10,000 times bigger than at conception and has developed the foundations of his or her nervous system, including the brain and spinal cord, by the 20th day. During the first 4 weeks, the baby's organs are starting to form. The heart began to beat on the 22nd day and is pumping blood through a circulatory system. The blood type may be different than the mother's.

Your baby is the most vulnerable during the next month to being aborted. Pray that the Lord of Life might move the heart of this baby's mother to give him or her the most precious gift—the gift of life.

PRAYER TO END ABORTION

Lord God, I thank you today for the gift of my life and for the lives of all my brothers and sisters.
I know there is nothing that destroys more life than abortion, yet I rejoice that you have conquered death by Resurrection of Your Son.
I am ready to do my part in ending abortion. Today I commit myself never to be silent, never to be passive, never to be forgetful of the unborn. I commit myself to be active in the pro-life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice not just for some, but for all, through Christ our Lord. Amen!
